#### There Is Salvation for All.

Extract from Talmage's sermon It is not like when they put out Earn for "Villa du Havre." They we mean the lifeboat of the gospel, and we cry out over the sea, "Room pel craft.

But while I have said I do not think it is possible for us to commit the particular sin spoken of in the first text, Matthew 12-31-32; I have they may be pardoned, are in some looked better. respects irrevocable, and you can find no place for repentance, though you seek it carefully with tears. the land to be set is generally new the greatest moneyed interests of the Esau had a birthright given him. In and well adapted to the growth of world. olden times it meant not only tempo- the weed. ral but spiritual blessing. One day Esau took his birthright and traded it off for something to eat. Oh, the to the growing crops. folly! But let us not be to severe up on him. After he had made the should take all your notes and honds and Government securities, and should go into a restaurant and in a fit of recklessness and hunger throw are endeavoring to make the farmer by proper pinching. Often the all those securities on the counter believe they have the very best and growth from a bud will be very vigand ask for a plate of food, making cheapest trees, plants and shrubs to orous. If the top of this be pinched that the exchange. This was the one that Esau made. He sold his birthright for a mess of pottage, and he was very sorry about it afterwards but "he found no place for repentance, though he songht it carefully like a paralytic stroke on one side, with tears." There is an impression but is getting better. in almost every man's mind that somewhere in the future there will be only repent in time God will forgive painted by this firm. us, and then all will be as well as though we had never committed sin lor's restoration to health after a lin-My discourse shall come in collision gering spell of sickness. with that theory. I shall show you, my friends, as God will help me, that there is such a thing as unsucthings done wrong that always stay wrong, and for them you may seek some place of repentance, and seek

it carefully, but never find it. Belonging to this class of irrevocable mistakes is the folly of a mispent We may look back to our college days and think how we neglected chemistry or geology or botany or mathematics. We may be sorry about it all our days. Can we ever get the discipline or the advantage that we would have had had we attended to those duties in early life? A man wakes up at 40 years of age and finds that his youth has been wasted, and he strives to get back his early advantages. Does he get them back-the days of bayhood, the days in college, the days under his father's root? "Oh," he says, "if I could only get those times back again, how I would improve them?" My brother, you will never get them back. They are gone, gone. You to give away any clasm it has on the may be very sorry about it, and God may pardon him, but that does not where an attempt is made to bring then before the Clerk of said Court, at bring back good physical condition. out both together.-National Live-I said to a minister of the gospel one Stock Journal. Sabbath night at the close of the service: "Where are you preaching

Now, why do I say this! Is it for the anneyance of those who have only a baleful retrospection? You that is not may be a baleful retrospection? You can deceive her. know that is not my way. I say it for the benefit of these young men THE attorney-general of the state
